

**DUO**  
Lightweight system hand-set formwork

**Lightweight**  
Pure hand-set formwork

**Ergonomic**  
Efficient operations

**Universal**  
3 in 1 – walls, columns and slabs

**Sustainable**  
100% recyclable

**Healthy working**  
Hammer free usage

★ Productfeature	⚙️ Technicaladvantage	📈 Costadvantage
<b>Lightweight</b>	Low weight less than 25 kg	Lower costs, efficient operations, cost savings due less transport
<b>Ergonomic</b>	Low weight, crane-free handling and intuitive application	Cost savings in engineering
<b>Universal</b>	Flexible forming of walls, columns and slabs using only one system	Less material on site, multipurpose use – 70% universal components

**Silent assembly**  
All components assembled by hand

**Maintainability**  
Easy replacement of formlining

**Easy to clean**
