**CERTIFICATE OF COMPLIANCE
No.: ÜZ-BWU03-I 14.24.37**

Hereby, in accordance with Article 20, Paragraph 2, No. 2 of the Bavarian Building Regulations (Bayerischen Bauordnung - BayBO) in the version of 14th August 2007, this is to confirm that

the building product: **Class P 20 Timber Formwork Girder
(Trade Name: PERI VT 20 and PERI VT 20 K)**

manufactured at the
production plant: **89264 Weissenhorn**

by the company: **PERI GmbH
Formwork Scaffolding Engineering
Rudolf-Diesel-Straße
89264 Weissenhorn
Germany**

comply with the provisions stated in the

**Building Rules List A (Bauregelliste A), Part 1, in the current issue of the technical
regulations contained in**

DIN EN 13377 in Verbindung mit DIN V 20000-2

according to the results of factory production control and the third-party inspection carried out by the Materials Testing Institute of the University of Stuttgart. The company is therefore entitled at the production plant in

89264 Weissenhorn

to mark the building product with the sign of conformity (Ü-Zeichen) in accordance with the ordinance.
